Exploring the role of design in Edutech amongst the Tribal SSC aspirants

Announcing the TDF SSC Scholarships

Tribal Design Forum is delighted to partner with 1EQ Edutech, a quality multimedia solutions provider for SSC examinations that is greatly invested in creating well designed, user-friendly solutions for SSC aspirants, to offer the 1000 TDF SSC Scholarships and make SSC examination study material available to the financially challenged amongst the SSC aspirants from various tribal communities in India.

Staff Selection Commission (SSC) is a government organisation that conducts various examinations every year to recruit candidates for Group B and Group C posts in various ministries, departments, and organisations of the Government of India. Every year, about 30 lakh candidates fill out the SSC CGL application form and about 15 lakh aspirants appear for the exam. (33,55,194 candidates registered for SSC CGL 2022).

SSC CGL examination is very competitive as it covers a wide range of topics and tests the candidate's knowledge in reasoning, quantitative aptitude, English language, and general awareness. However, with proper preparation strategy, practice and access to study materials, one can easily qualify through the exams.

Every year, lakhs of SSC aspirants persevere in the preparation of these exams hoping to be rewarded with

Could the aspirations of the young and motivated members from the tribal communities be supported by enabling them to access high-quality, well-designed study material to help them prepare well for the SSC examinations with least financial burden on them?

selection. SSC examination preparation can sometimes prove to be financially difficult for the members of the tribal communities across India, since the aspirants from these communities often come from economically marginalized sections, for whom accessing exam preparation courseware could be financially challenging.

The Tribal Design Forum, that seeks to explore ways in which design can play a role in making a difference in the lives of members from the tribal communities wishes to address just this very question and is proud to offer 1000 Scholarships to SSC Aspirants from all tribal communities in India (as listed in the Scheduled Tribe list of the Government of India) with the hope that it shall provide greater access to quality study material and enable them to prepare single mindedly for the upcoming SSC examinations.

1PYQ App
Technology to make exam preparations more accessible and affordable.

One of the highlights of the TDF SSC Scholarships is the 1PYQ app – a uniquely designed app where the courseware can be customised as per every user's individual requirement. *(PYQ is an acronym for 'Previous Year Questions' but also relevant with the design approach of enabling the SSC aspirant to 'Play Your Questions', 'Practice Your Questions' and 'Print Your Questions')*

1PYQ app enables the aspirants to PLAY, PRINT & PRACTICE the Previous Year Questions of SSC Exams conducted by TCS.

To begin with the App will contain:
• Audio Books for English, General Awareness, Current Affairs
• Video Solutions for Maths Revision Book
• View only PDF format of Selected Books of 1EQ
• CGL 2023 Target Study Group – Daily Schedule & Study Material

The USP of the APP is the Audio Books in English and Hindi languages and user-friendly interface.
