Providing greater access to opportunities for SSC aspirants from tribal communities

SSC Aspirants from tribal communities from 16 states benefitted from the TDF SSC Scholarship in 2023...

Announcing the TDF SSC Scholarships

Tribal Design Forum is delighted to partner with 1EQ Foundation – an organisation greatly invested in providing greater access and opportunity to education for the socially and economically marginalised communities in India – to offer the 1000 TDF SSC Scholarships in 2024 to the SSC aspirants from various tribal communities in India.

Staff Selection Commission (SSC) is a government organisation that conducts various examinations every year to recruit candidates for Group B and Group C posts in various ministries, departments, and organisations of the Government of India. Every year, about 30 lakh candidates fill out the SSC CGL application form and about 15 lakh aspirants appear for the exam. (33,55,194 candidates registered for SSC CGL 2022).

SSC CGL examination is very competitive as it covers a wide range of topics and tests the candidate's knowledge in Reasoning, Quantitative Aptitude, English Language, and General Awareness. However, with proper preparation strategy, practice and access to study materials, one can qualify through the exams.

Every year, lakhs of SSC aspirants persevere in the preparation of these exams hoping to be rewarded with selection. SSC examination preparation can sometimes

TDF seeks to explore the role of digital products and tools to provide greater access to education and opportunioties to the young and motivated members from the tribal communities through high-quality and intuitively developed design solutions...

prove to be financially difficult for the members of the tribal communities across India who often find it difficult to access exam preparation courseware a big financial challenge.

Tribal Design Forum and 1EQ Foundation, together, is committed to explore ways to provide greater access to opportunities for the tribal communities, and hence have announced 1000 Scholarships to SSC Aspirants from tribal communities in India (*as listed in the Scheduled Tribe list of the Government of India*) with the hope that the scholarships shall provide greater access to quality study material and enable them to prepare well for the upcoming SSC examinations.

1PYQ App

SSC Preparation Courseware on Your Fingertips Current Affairs English General Awareness Maths Reasoning in Audio, Video and Formats with Mock tests, Practice and Quiz modules

An intuitive designed digital tool to make exam preparations more accessible and affordable.

One of the key highlights of the TDF SSC Scholarships is the 1PYQ app – a uniquely designed app where the courseware can be customised as per every user's individual requiremen in exam preparation.

1PYQ app enables the aspirants to PLAY, PRINT & PRACTICE the Previous Year Questions of SSC Exams conducted by TCS. (*PYQ is an acronym for 'Previous Year Questions' but also connotes 'Play Your Questions', 'Practice Your Questions' and 'Print Your Questions'*)

1PYQ App contains:
• Seasonal Mocks, Practice and Quiz modules
• Audio Books
• Video Solutions
• PDF of Selected Course Books from 1EQ
• CGL 2023 Target Study Group –
  Daily Schedule & Study Material

The USP of the 1PYQ App is the Audio Books in English and Hindi languages in an intuitive user-friendly interface.

About 1EQ Foundation
1EQ Foundation is focused in providing education in an equitable, accessible and inclusive manner amongst persons with disabilities and students with dyslexia through tailored assistance and promotes education amongst the socially and economically disadvantaged and other marginalised communities in India through innovative programs and technology in partnership and collaboration with similar responsive organisations and institutions. www.1eq.foundation

About Tribal Design Forum (TDF)
Tribal Design Forum is a community of multidisciplinary designers and creative professionals from various tribes of India. Tribal Design Forum is a platform to share ideas and learnings to explore the role design can play for the benefit of designers and tribal communities in India. TDF sessions organises weekly sessions to interact and learn from designers and multidisciplinary domain experts from India and around the world who have been actively working for the benefit of tribal and indigenous communities. These sessions also provide a platform for members of the Tribal Design Forum to share their work and experiences as professionals. Tribal Design Forum also creates participatory platforms through various contests like Quiz, Photography, Visual Arts and Fashion to create awareness about the unique tribal cultures of India. www.tribaldesignforum.com
